

You can find the local Area on Aging on the Medicare site: <http://www.aoa.gov/>

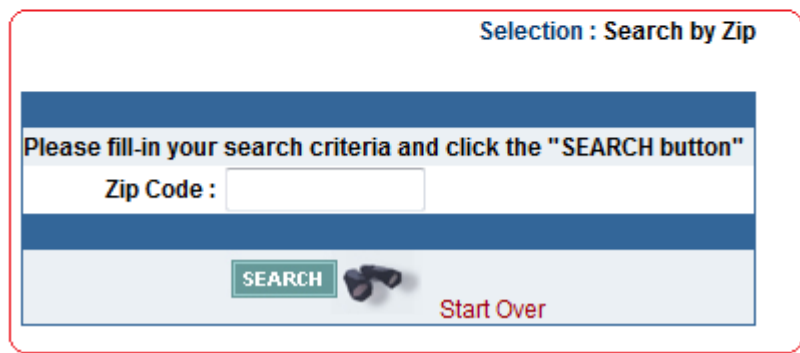

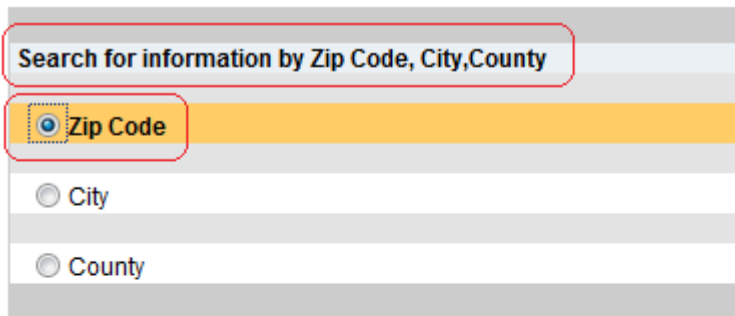

Click on the **Find Local Programs** link.

The screenshot shows the Administration on Aging website in a Windows Internet Explorer browser. The address bar displays <http://www.aoa.gov/>. The browser's menu bar includes File, Edit, View, Favorites, Tools, and Help. The toolbar contains various icons for search, navigation, and utility. The website header features the Department of Health & Human Services logo and the Administration on Aging logo. A navigation menu on the left lists links such as Home, About AoA, Press Room, Elders & Families, Emergency Preparedness, Aging Statistics, AoA Programs, Program Results, and Grant Opportunities. The main content area is titled "Elders and Families" and contains a "Find Local Programs" link, which is highlighted with a red rectangular box. Below this link are other resources: "Check for Benefits", "Find Helpful Print and Web Resources", "Medicare.gov", and "Long-Term Care Planning". To the right, there is a "Watch the Video!!" section with a video player showing Kathy Greenlee addressing the N4A. At the bottom, there is a "Healthy Tip Widget" and a "Living Today for a Better Tomorrow" logo. A small window titled "Other Medicare Related Websites and Contact Information" is visible in the background, showing a Medicare website.

A new window will open.

The field to enter the Zip Code is not shown until you click the Zip Code circle.
